## Forest *f*x

Forest fx represents the natural beauty and sophistication of wood in a practical and durable vinyl sheet format. The collection includes various wood designs with intricate grains and natural colourways.

The collection has been specifically developed for very heavy commercial installations including education, healthcare, office, retail and leisure sectors.

Environmentally Preferable Flooring - Polyflor Forest fx PUR achieves a BRE Global A+ rating (ENP 415) in the Green Guide to Specification in use areas such as education and healthcare and is GreenTag LCA Rate certified with GreenRate level A - Silver Plus. Generic EN 15804 Environmental Product Declaration (EPD) available on request. Recyclable via the Recofloor scheme. Visit www.polyflor.com/sustainability.

PUR - Polyflor Forest fx PUR features a high quality, cross-linked polyurethane reinforcement, UV cured to provide a low-cost, polish free maintenance regime for the lifetime of the flooring.

愛

Hygiene - All Polyflor commercial sheet vinyl ranges provide a continuous, impervious and hygienic flooring solution which can be confidently cleaned in accordance with recommended maintenance procedures and approved maintenance products. The implementation of an effective cleaning regime is the most important defence against infection.

For information regarding handling and installation, adhesives, maintenance, applications, chemical resistance and product warranty, consult Polyflor Customer Technical Services on +44 (0)161 767 1912, or email tech@polyflor.com.

\*For safety flooring with sustainable wet slip resistance, refer to Polysafe ranges.
